OTHER ACTIVITIES

1. Communications Films

a. Radio Communications - Film No. 1

25X1A

The composite print was received from the studio and approval of the contract director is necessary before it can be released to the Operations School/ [REDACTED]. He will screen it on Thursday, 27 September. After his approval, three 16 mm prints will be processed, according to the terms of the contract, through the commercial studio.

b. Personal Meetings - Film No. 2

Editing is continuing. It has been estimated that this film will run to eight reels -- two more than estimated originally.

c. Safe Sites - Film No. 3

The final draft of the script has been approved by the Deputy Chief/OS/TR, and the Technical Advisor/NEA. Chief, FPB, will discuss it personally with the Technical Advisor/[REDACTED] on Thursday, the 27th. Location scouting has been deferred until mid-week, 8 October. Meanwhile, preparations have been made to shoot some of the sequences at Headquarters, beginning 1 October.

2. Agent Acquisition Film

The 16 mm trial print of Film 1 (Target) was reproduced from the original 35 mm negative by PSD/OL. After a screening by FPB on Tuesday, arrangements were made for processing three additional composite prints of the entire film for use within OTR. Acting Chief, Research and Development/ Contract Branch/ OL, will be consulted on the commercial reproduction of a second 35 mm release print.
